ENERGIZER™ -RP10

THE RUMEN PROTECTED FAT

ENERGIZER™-RP10

THE RUMEN PROTECTED FAT

Description:

ENERGIZER™-RP10 is a product of palm oil fatty acids fractionated by physical method wherein fatty acids of desired configuration are obtained. It is unsaponified and biological in its nature. It is developed to give highest possible energy value from a protected fat product with low rumen solubility and high small intestine digestibility.

Characteristics:

- ENERGIZER™-RP10 has a high melting point and its crystal remain free flowing flanks under extreme weather.
- ENERGIZER™-RP10 is made from 100% vegetable oil therefore it is free from BSE and other harmful agents.
- ENERGIZER™-RP10 is highly palatable and can be fed at higher levels.
- ENERGIZER™-RP10 has low rumen solubility and high small intestine digestibility.

Key Benefits:

- ENERGIZER™-RP10 Increases the energy intake in order to maintain energy gap and control loss of body condition.
- ENERGIZER™-RP10 increases the percentage of butterfat in milk.
- ENERGIZER™-RP10 has flexibility in formulation while maintaining energy intake without sacrificing fiber intake in the diet.
- ENERGIZER™-RP10 improves persistency in lactation.
- ENERGIZER™-RP10 improves energy balance to improve reproductive performance.

- ENERGIZER™-RP10 helps in achieving increased nutrient density need during summer to overcome dietary energy deficiency.

Suggested Inc. Levels:

- In compound feeds up to 5%
- In TMR upto 1kg/head/day.

Product Analysis:

Total fat Matter%	99 min
Unsap Matter%	2.0 max
Iodine Value	10 max
Palmitic acid%	85 min
Stearic acid%	2.0 max
NE L(MJ/kg)	29
Melting Point	56-58°C
Physical Analysis	Fine flanks, white to pale in color
Bulk density	30.6 lbs/cu.ft. 490 gm/litre
Packing	25 kgs paper bags

Storage Instructions:

Store in cool dry place out of direct sunlight. Not more pallets stacking are advisable to avoid compression. Leave enough space between pallets for free air movement

انرجائزر آر پی 10

- انرجائزر آر پی 10 عام پائی پاس چکنائی کی ایک جدید قسم ہے۔ جس میں نانوائے فیصد بناتائی چکنائی ہے۔
- انرجائزر آر پی 10 کو خاص طور پر اُن جانوروں کیلئے تیار کیا گیا ہے جن میں توانائی کی ضرورت عام جانوروں سے زیادہ ہو۔
- انرجائزر آر پی 10 میں موجود چکنائی زیادہ زود ہضم ہے۔
- انرجائزر آر پی 10 کو ہڈے میں 5 فیصد تک اور ٹی ایم آر میں 1 کلو فی جانور روزانہ تک دیا جاسکتا ہے۔

PACKING: 25 kg

پیکنگ: ۲۵ کلوگرام
